

# **CENTER COURT**

## **Private Sewer Lateral Project**

**Streamline Plumbing will be commencing work to repair and replace the lateral and main sewer lines in Centre Court.**

Work will begin **March 30<sup>th</sup>, 2026** and is tentatively scheduled to finish in mid-June, 2026. Notices will be provided 10 days prior to your unit's scheduled phase of construction.

\*Streamline Plumbing will need access to your clean out located in your rear garden patio area and/or your storage closet.

\*Before your unit's phase is scheduled to begin, please ensure that your back gate is unlocked, and the rear patio garden area is completely cleared and accessible for the scheduled work. Some units may experience more extensive repairs/replacements. Those homeowners will be notified prior to the start of work

\*The replacement and repair of sewer lateral lines is required by the Federal Environmental Protection Agency. Centre Court HOA, Streamline, and EBMUD are closely coordinating together to ensure the project goes as smoothly as possible. We greatly appreciate your cooperation and patience as we work to complete this mandated repair.

\*All questions are to be directed to Management at 510-865-3363 or [cct@harborbay.org](mailto:cct@harborbay.org). *Please do not direct concerns to Streamline Plumbing*
